ABOUT

Fine on a Dime

I am a young lady that loves fashion and was inspired by my mom and students to create this blog. My students always comment on my outfits. But, little do they know, I don't spend a lot of money creating my looks. So, I have created this blog to share my tips on how to be "Fine on A Dime". I too, like so many others was laid off and wanted to maintain my looks. With a restricted budget you have to get creative. I hope you enjoy the blog and please feel free to share your tips as well. Remember ladies we don't have to spend a lot to look good. Toodles!

Ladies, what's one thing we could use in our lives? A great bag! I don't know about you, but when I find one I carry it forever! So, this blog posting is dedicated solely to hand bags \$45 or less.

First up is Tanya. She is carrying a straw and turquoise bag that goes perfect with her shoes.

Is it me or does the bag add flare to the outfit?

If you look close you will see that Tanya's bracelets and ring have turquoise as well. Great accessorizing Tanya!

Tanya's Bag
 Designer: Emilie M.
 Purchased from: A. J. Wright
 Cost: \$6 (Jackpot!)

Second up is Shekerah or should I say She Diva! She is carrying a cute white bag that is perfect for work or going out. It has enough room for your needs and not too flashy or wild.

Check out the accessories. She infuses brass jewelry with the leopard shoes. Her accessory game is always on point.

should be verified with the manufacturer or provider. This product does not contain any content which might present a conflict of interest.

Ladies remember that when carrying white bags you have to take extra care of the bag. You can't just throw it around. White gives a nice clean and sharp look. No dirty white bags allowed!

Shekerah's Bag
Designer: Elelafidale
Purchased from: Little 5 Points Boutique
Cost: \$45

Third up is Takosha. Take one look at this bag and think of which brand looks like they made this bag? Were you think Coach? Well, sorry its not made by Coach.

I would consider this a mini satchel bag. It is perfect everyday bag for the person who doesn't like to carry bigger bags.

I love the flower in the hair in addition to the matching red belt and shoes.

Check out the red lipstick with the accessories! Gotta love it!

The attached roses really add character to the bag. This one didn't make the \$50 cut, but I like the vintage look. Reminds me of Dorothy Dandridge in Carmen.
