

➤ Fab Finds at Haute Market

The Spring Fashion Fling VIP party is just days away and I have more teasers for you. Fabulous handcrafted hand bags from Spoiled Diva.

I love these wristlets. Wallet-sized wristlet perfect for a night out. Accented with wrist bracelet and glass bead clusters. I would also keep this in my regular bag and pull out when I need to run quickly into a store.

How about the sassy *Canga Tote*? Over-sized shoulder bag in animal print, detailed with faux leather trim, beaded fringe and ribbon rosettes, \$67. This would be a great every-day bag. Every girl needs a **bag with attitude**. Spoiled Diva definitely has attitude! See these styles and more at the Haute Market shopping party Tuesday!

FAQ about the party:

Can I get tickets at the door?

Sorry, no. This is an advance ticket engagement. We have a more intimate party location and have to cap the number of guests at 200.

Do I have to get there at 5:30 to get the goodies?

Nope, just be there by 8pm to claim your swag bag if you upgraded. Otherwise, take your time.

Did I hear that you have chocolate and free samples?

Oh yeah baby! A **chocolate fountain**, free samples of X-Rated Fusion Liqueur, **free samples** of Mad Housewife wine, plus more complimentary snacking!

Any tickets left?

The Wine Bar has some left. You can go by there and grab yours today thru Saturday.
